Demonstrated thorough knowledge of the district visual art curriculum, standards, effective assessment tools and technology use in visual arts. Knowledge of and commitment to multi-cultural explorations through art. Demonstrated knowledge and commitment to teaching adaptive arts pupils in an inclusion model. Demonstrated leadership, strong teamwork skills and cooperation with other faculty members and other arts specialists in curricular integration.

How To Apply

Go to www.mmsd.org. Click on "Employment" to create & submit an online application.

This is an "applicant pool" posting. It does not signify that vacancies actually exist at this time. The purpose of this posting is to develop a pool of qualified applicants, should vacancies become available.
The MMSD does not post specific vacancies externally. When a vacancy has not been filled through the transfer of a current MMSD teacher, we go directly to the external pool to review external applicants who are active in the pool.
If you have questions as to the status of your application or the availability of positions in your area(s) of certification, please contact Beth Weber, (608)663-1747,
bweber@madison.k12.wi.us
Applications accepted year-round, however, there is no guarantee that they will be fully processed and considered if received after April 1, 2014. Required documents (transcripts and a minimum of 2 letters of recommendation) should be attached to your electronic application as soon as possible, unless you are still student teaching. In that case, please attach transcripts to date and any letters that are available and add other documents as they become available.
This is a general posting and does not necessarily mean there are Art teacher vacancies.

Requirements

Qualifications

WI DPI Art (550) certification to include grade level.
